

**ENTRUST**

# Issuance Supplies Management

## HIGHLIGHTS

### Proficiency and process for managing instant issuance supplies

Protect your customers' identities – and your investment – with Entrust Issuance Supplies Management. As an added service to your on-call support program, Entrust Issuance Supplies Management provides the quick support and essential supplies you need, plus the benefit of secure destruction. An Entrust certified technician handles the delivery and installation of all your system's materials. We'll replace your supplies, clean your printer, and securely destroy used materials containing confidential information on site.

## KEY FEATURES & BENEFITS

### Trust the experts with confidential data destruction

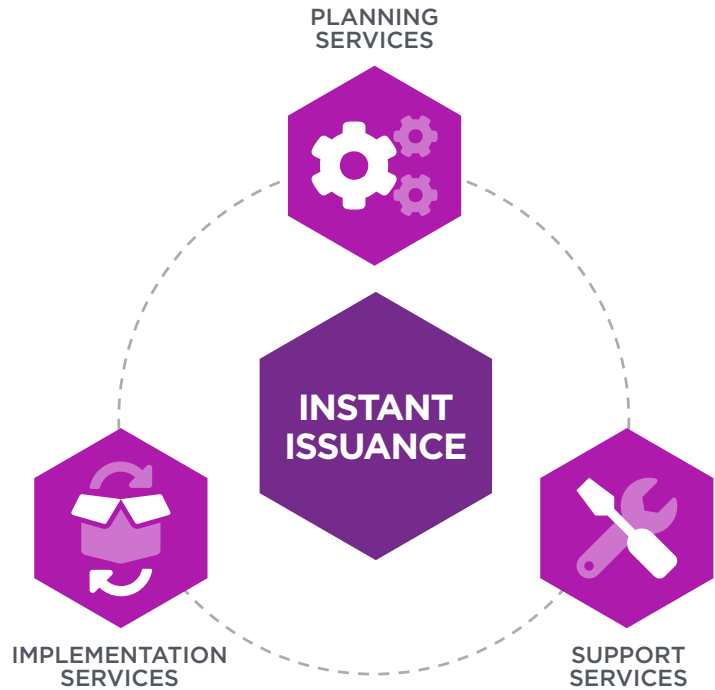

- Level 6 security shredding
- Increased print quality due to hardware cleaning
- Less downtime when hardware is cleaned by a trained technician
- Supplies inventory management prevents branches from running out of supplies
- Eliminates errors due to improper re-spooling and incorrect cartridge reloading
- Decreased need for storage of cleaning and supply materials at the branch
- Personalized service from service technicians you will come to know and trust

# Issuance Supplies Management

## HOW IT WORKS

- Routine visits are scheduled based on supply level alert
- Entrust certified technician replaces supplies, performs cleaning card process, and runs test card
- The technician handles and destroys confidential materials right on premises
- Entrust certified technician delivers and installs supplies on site
- Issuance Supplies Management services are only available to customers with an On-Call service contract

## ABOUT ENTRUST CORPORATION

Entrust keeps the world moving safely by enabling trusted identities, payments and data protection. Today more than ever, people demand seamless, secure experiences, whether they're crossing borders, making a purchase, accessing e-government services, or logging into corporate networks. Entrust offers an unmatched breadth of digital security and credential issuance solutions at the very heart of all these interactions. With more than 2,500 colleagues, a network of global partners, and customers in over 150 countries, it's no wonder the world's most entrusted organizations trust us.
